- kinderhotel.info Award 2021 honours the 50 best hotels with childcare
- Europe's most popular family hotel is located in Germany
- For the first time, a Greek hotel is represented in the Top 50

(07.01.2021, Friedburg, Austria) - Europe's most popular family hotel is located in Germany. This is the result of the evaluation of the kinderhotel.info Award 2021. A total of 765 family-friendly hotels from 16 European countries were evaluated by the editorial team of the German-speaking platform [www.kinderhotel.info](http://www.kinderhotel.info). As in the previous year, Familotel Sonnenpark (Germany) triumphed, followed by Bauer Martin - Ostsee Ferienhof Bendfeldt (Germany) and Familotel Landhaus zur Ohe (Germany). For the first time, a hotel from a non-German-speaking country has made it into the top 50: the Greek Ikos Olivia on the Halkidiki peninsula came in a strong 48th place.

For the kinderhotel.info Award 2021, the criteria of facilities, service and guest opinions of 765 family hotels were evaluated in detail. The final ranking is based on the total number of points for all factors. The ratings of the kinderhotel.info users as well as the 3 major rating portals Google, TripAdvisor and HolidayCheck are included in the ranking. A special feature is the self-developed "no-fake factor", which relates the number of bad reviews of each hotel to the number of its rooms. This value cannot be distorted by the hotel operators marketing.
