- kinderhotel.info Award 2023 honours the 50 best hotels with childcare
- Europe's most popular family hotel is located in Germany
- For the second time, a Greek hotel is represented in the Top 50

(04.01.2023, Friedburg, Austria) - Europe's most popular family hotel is located in Germany. This is the evaluation result of the kinderhotel.info Award 2023. A total of 745 family-friendly hotels from 15 European countries were evaluated by the editorial team of the German-speaking platform www.kinderhotel.info. As in the year 2021, Familotel Sonnenpark (Germany) triumphed, followed by Kinder- & Gletscherhotel Hintertuxerhof (Austria) and Familotel Landhaus zur Ohe (Germany). For the second time, a hotel from a non-German-speaking country has made it into the top 50: the Greek Ikos Resort Oceania in Eleonas came in a strong 45th place.

For the kinderhotel.info Award 2023, the criteria of facilities, service and guest opinions of 745 family hotels were evaluated in detail. The final ranking is based on the total number of points for all factors. The ratings of the kinderhotel.info users as well as the 3 major rating portals Google, TripAdvisor and HolidayCheck are included in the ranking. A special feature is the self-developed "no-fake factor", which relates the number of bad reviews of each hotel to the number of its rooms. This value cannot be distorted by the hotel operators marketing.
